Quiet Down & Listen

The Lenovo HT10-Pro In-Ear True Wireless Earbuds are our most advanced Earbuds yet!

Together, the buds and case offer up to 48 hours of playtime combining Lenovo EQ Technology and supporting Qualcomm aptX audio. The HT10-Pro delivers HD sound quality and minimal audio lag for all your entertainment, no matter where you are or what you are doing.

Adjust the sound to your preference with EQ tech jumping from Extra Bass or Pure Music to match your mood. Sleek and easy-fit design includes three different size gel-tips for comfortable use all-day.
