**Change to Lenovo E1 Pro Smartwatch with Lenovo Sport App (optionally sync's your data to Apple Health APP) compatible with Android and Apple devices for everyday activity including Blood Oxygen & Blood Pressure monitor.**

Your all day, everyday watch that tells the time, tracks your steps, monitors your health, also directly on Apple health, keeps you connected to the world with social media, displays your calls and keeps you active. With 8 different sports modes, including swimming we have you covered. The slim and sleek design finished in black, gold or silver, allows you to change the watchface to match your day. With up to 25 days standby you can keep going and stay active.
